PUBLIC HOLIDAYS (DECEMBER 2023 & JANUARY 2023)

Dear Client,

We have received various queries relating to what days over December and January would be public holidays and would therefore be payable and paid double if worked.

Below find a list of all the days that will be public holidays:

15 December 2023 – this day was given thanks to the Springboks that won the World Cup. 😊

16 December 2023 – this is however on a Saturday. Only if the person would have worked on a Saturday would he/she be entitled to payment for this day.

25 & 26 December 2023 – Christmas day and “Boxing day”

1 January 2024 – New Years day

The above are the only days that are holidays. (for December 2023 and January 2024).

Please let us know if you have any questions about the above.

Regards
